Translation Notes

Page 55 – **Savory egg custard**
Chawanmushi literally translates to “steamed in a tea cup.” They’re savory egg custards prepared in single-serving dishes and can include additions such as mushrooms, shrimp, lily root, fish cake, ginkgo nuts, and more.

Page 101 – ***Moe***
Moe is an obsession with something cute, usually a certain category of girl (maids, little sisters) or items of clothing or accessories (glasses, school uniforms). The term can also be used as an interjection when something triggers the obsession.

Page 103 – **Penhold, shakehand**
Penhold and shakehand are two different grip styles used in table tennis. In a penhold grip, the paddle is held the way you’d hold a pen; in a shakehand grip, it’s held like a knife.

Page 112 – **“Like a summer Miyamura moth to the flame...”**
The phrase in the original Japanese translates literally to “Like the summer insect that flies into the fire.”

Page 152 – **“Even in an ogre’s eyes...”**
The proverb Miyamura is quoting is “Even in an ogre’s eyes, there are tears,” meaning “Even hard-hearted people can be moved to tears.”
